

Dear Image Dancer or Parent:

First and foremost, I hope this letter finds you and your family in the safest of situations. With that, I thank you for your continued business and support. Your diligence and patience has been greatly appreciated. There were some adjustments as well as technological woes, but we are confident that we can overcome them.

With unprecedented events, we needed to format the classes online methods. Classes will be in these formats until April 30 (as of now). We will continue to follow the requirements of CDC as well as local, regional, state and federal officials.

We understand that we are unable to work on choreographies, blocking, wood floors and extra accessories and amenities that the studio provides, but we hope the comfort of home, technique, conditioning and need of exercise and recreation helps.

Ways we hope to help:

- Google Classroom
 - All registrants received a link invitation via email submitted on registration form. If other email is preferred, please contact office with updated/preferred email.
 - All links for LIVE classroom links on Zoom will be noted on POSTS within Classroom
 - Recordings from class, class music, notes and worksheets are uploaded on posts
 - I'm available to help set up (if necessary)
- Zoom - links in Google Classroom
 - If problems logging on with link, please notify office or Michelle immediately and she can invite you in personally with an email link during the class.
- Adjusted tuition rates for registered students -- Sylvia will be reaching out to clients.
 - If there is anyone that would like to continue at same rate and consider it a tip/donation to the studio, it will not go unnoticed and would be much appreciated.
- Stay informed on social media pages, website, email and phone calls with the office if there are questions.

Most of all, come to class with your bodysuit, tights, hair in bun/bound, requested accessories (if applicable) and dance shoes. But most of all, come ready to dance!

Sincerely,

Michelle Angulo-Pacheco
