### ***Commenting on debut choreography of Michelle Angulo, Image Dance Company***

**Extraordinary...**is the word I would like to use to describe Michelle. She has the ability to make others feel that "anyone" can dance, which is her passion. She has two well established Dance studios in San Antonio and is committed to excellence.

When my husband and I decided to plan a quince for our daughter, Mindy the first person I thought of was Ms. Angulo. We knew right away that a choreographer would be needed to plan the courts dance routine and Ms. Angulo was selected because of her expertise.

The dance routine that was selected for Mindy's quinceanera was awesome!

Ms. Angulo took the time to demonstrate to the court how easy and fun dancing could be. She has demonstrated to be a positive role model for these teenagers. Many of the parents approached me after the routine to ask for Ms. Angulo's business card because we had at least three additional quince that year. I believe Ms. Angulo contracted with at least two of the families.

Through her dedication and commitment to her dancing she is well respected in her community.

Ms. Angulo is energetic and dedicated which makes her a great choreographer and even a greater person!
